THE MINISTER OF STATE IN THE DEPARTMENT OF REVENUE IN THE MINISTRY OF FINANCE (SHRI AJTT PANJA): (a) Yes, Sir. Ther$_3$ are glass containers Which are re-usable.

,, (b) .Even though the incidence of .excise-duty on glass containers is higher than that - on tin containers, the incidence 6f duty on raw materials used in the manufacture of tin containers is much higher than that in the case of glass containers. The rates of duty on various goods are decided having regard to relevant considerations including the end-use thereof.

(c) The import component in the ma nufacturing cost of tin containers and glass containers depends on £ variety of factors such as'the nature of the product, the process °f manufacture, indigenous availability of inputs,"etc.

(d) There is no proposal at present to equate the central excise duty on glass containers with the duty on tin contain ers.
